OFFICE OF THE SECRETARY

Re: XO Communications, Inc.
Applications for Consent to Transfer of Control
IB Docket No. 02-50

Dear Ms. Dortch:

XO Communications, Inc. ("XO"), by its attorneys, hereby responds to the September 13, 2002 request of the Wireless Telecommunications Bureau for information concerning the parent companies of Teninver, S.A. de C.V. ("Teninver"), the indirect wholly-owned subsidiary of Teléfonos de México, S.A. de C.V. ("Telmex") that will hold Telmex's ownership interest in XO. The controlling shareholder of Teninver is Controladora de Servicios de Telecomunicaciones, S.A. de C.V. ("Consertel"). Consertel is a Mexican corporation whose address is Parque Via 198, Col. Cuauhtemoc, 06599, Mexico, D.F. Consertel holds 99.99 percent of the common stock of Teninver. Telmex holds 99.99 percent of the common stock of Consertel. Consertel currently serves as an investment vehicle for Telmex.

Under Mexican law, Mexican corporations must have at least two shareholders. Accordingly, .01 percent of the common stock of each of Consertel and Teninver is held by other entities controlled by Telmex. Each of those entities in turn is held by at least two shareholders, with in excess of 99.9 percent of their shares held by one entity under the control of Telmex, and the remaining shares held by another entity under the control of Telmex. Each of these entities is a Mexican corporation that is located at Parque Via 190/198, Col. Cuauhtemoc, 06599, Mexico D.F., and that currently serves as an investment vehicle for Telmex.
